“Mama’s Farmhouse to donate 100% of next week’s dinner proceeds to American Red Cross for earthquake relief in Haiti”

Pigeon Forge – In an attempt to help the people of Haiti, Mama’s Farmhouse in Pigeon Forge is offering a major incentive to their already popular wintertime “Buy One, Get One Free” special next week. All next week, during the Buy One Get One dinner specials, Mama’s will donate ALL dinner proceeds to the American Red Cross for relief efforts in Haiti. So it’s Buy One, Get One Free and we’ll Give ALL the proceeds to the Red Cross. Just imagine, for the price of one adult dinner (\$16.99), you get TWO dinners AND you can know every penny of that \$16.99 will be donated.

This special event will start with dinner on Monday (2/2/10) and will continue through Friday (2/6/10). Please bring family and friends in this week to eat down home southern cooking, served up family style at an amazing price and, at the same time, help the people of Haiti recover from the devastating earthquake a couple of weeks ago.
